### Art and Wine Crawl Info for Businesses

#### What is the Art and Wine Crawl?

The Art and Wine Crawl takes place on the final Friday of odd months, and is set up like gallery crawls (First Thursdays in San Francisco, Second Saturdays in Sacramento, First Fridays in Alameda, Art Murmur in Oakland), where the public goes from reception to reception.

Our Art & Wine Crawl will give first preference to businesses that regularly exhibit visual art. There are a few opportunities for businesses that don't regularly show art to bring in their own artist or ask us to coordinate an exhibit for you. Please don't sign up if you will not be open to the public during the Art & Wine Crawl.

#### How does it work?

Please advise us immediately if you wish to participate. We are limiting the amount of sites purposely so that the public can make it to each exhibit within the time limits. If we are up to our limit, we will hold your application until the next Crawl if you wish.

**We no longer have the manpower to collect signups from you.** Please forward it to us asap by the deadline in the attached envelope or deliver it directly to Ryan Fine Art at 171 So. J Street (bottom floor of the Old Foresters Hall).

You may select your own artist or we will help locate one for you. In signing up, your artist has agreed to pay you 25% of their sales the night of the Crawl unless you have made other arrangements with the artist. If you wish, you can coordinate with the artist to leave the art up in your business for a length of time following the event or have it up for just the night of the event.

If you have not heard from your artist by the Monday preceding the Crawl, please contact us immediately.

#### How much does it cost?

The cost is \$25.00 made payable to Ryan Fine Art. We will market the event by online event calendars, an extensive e-mail list, a newspaper ad, art event newsletters, press and event releases, handouts and flyers. Include your payment with your signup sheet.

Who do I contact? Linda Ryan (925) 337-0567, or Jen Lock (925) 858-2801
